jamiejrg wrote on Sun, 16 September 2007 15:33It's easy!

Steps:

- 1) Load up your pirated version of 3ds Max 8
- 2) Load up your desired model
- 3) Press Alt+f4 to bring up the 'poly add tool'
- 4) Type in how many you want to add.

Simple !

Jamie

Lol your officially fired from BH studios as their tutorial editor lol
