Religion is the root of all evil. (Don't kill me plx)

Jesus wouldn't care if they are gay or not. They're people too, and if they are good, decent, and hardworking people, they'll join him in Heaven.

Straight people, and especially Churchies love going after homosexuals, and calling them sinners, because the straight people need to feel big, because they're ashamed of their own sins.

Divorce is a sin. Sex before marriage is a sin. Not eating fish on Friday is a sin. Being jealous is a sin. Not assisting the poor and elderly whenever possible is a sin. Swearing is a sin too.

If you are going to knock homosexuality for being a "sin" , then you sure as hell had better not have sinned in your entire life, otherwise in my eyes, you look like a moron.
