Take every black criminal, turn them into slaves.

In my opinion, There are two types of black people-
Niggers, who are the rapping wanna be hiphop artists, smoking crack/selling drugs, talking with their accent, never had a job for more then a year, etc etc etc.

Then, theres Blacks. Who in my opinion, are usually, family oriented, nice people, hold a steady job. May or may not have a record, but has since cleaned their act. Good to the community etc etc etc.

Black>Niggers.

Call me racist, but i've said this to alot of black people, and they all agree with me.
And if someone says-
"you'll get shot for that"
Then those are the mean mean black persons talking.
