Renegade wrote on Thu, 04 October 2007 23:02 Well, Who's not to say that we're someone else's creation?

Someone/something, bigger, smarter, etc etc, created us.

And now we live, in their little world.

We think things are "big" to us.

But really, how "big" are we?

That's what I've been saying...

I mentioned a thought provoking discussion seen/heard on "Animal House". It's a great movie.
