Well this is a two part post, I was wondering what you guys think of my new computer and how can I make it better. (Yes I know it is old, but it is great)[Got it for free]

 http://h10025.www1.hp.com/ewfrf/wc/document?dlc=en&lc=en&product=62758&cc=us&docname=bph06790

I was also wondering what kind of computers do you guys use and/or have.
