nikki6ixx wrote on Tue, 23 October 2007 20:51 I know a girl who had an abortion, and if she hadn't had it, the kid would have grown up with a shitty childhood, likely with a learning disability, and would be total trash by age thirteen.

So if we should be able to kill kids BEFORE we know they're mistakes, should we be able to kill kids AFTER we realize they're mistakes?
