(As was sung by a few officers at a Cadet function to a fellow cadet)

Sung to a somber tune:

Happy birthday \*hit your fist against the table to generate a thump sound\*

Happy birthday \*Thump\*

People dying everywhere

Screaming, crying in despair

Happy birthday \*Thump\*

Happy birthday \*Thump\*

You're one year closer to DEATH!

OOHHHHHHH, wow what a great song.....

Wow, you actually think it's good? You must be the only person in the world to think so.

Heck, even the people who brought it up at the event did so because it was humorous and amusing, not because it was a good song.

Of course being sarcastic is a great way to make a fool of yourself... but then again, I wouldn't expect anything else.
