Well this will get me in trouble...

#11

"ACK"

N00bboys first day on the forum....he made a box in Gmax and thought it was the 1337est model the world has seen. After positng in teh mod fourm and having ACK basically laugh at him, he replies....

CASE-<http://www.aspenh.com/n00bboy/ACK.wav>

\*gets flame suit on\*
