We did have to put up with you quite a bit, eh?

It's funny how we mature over the years. We tried to run you out of these forums, but we were lucky you matured quick enough that it wasn't too painful to have you around before too long.

To all of those who believe that you should be nice to every random, rambling idiot on these forums: Mr. Anderson, here, is a prime example of what persistent flaming and subsequent molding can do to a forum member.
