Since we are sharing small videos I thought I would post my favorite of all time.

I saw this years ago but it always stuck in my mind and thought it was freaky as ass. Can you even imagine?

Part 1

Part 2

<http://www.youtube.com/watch?v=GakTtXQGuo0>

I find it amazing that there are 400 miles of catacombs under Paris, thats a crap load of tunnels and most of them are unmapped!

It truly is the scariest place I can imagine getting lost in.
