I couldnt wear the entire suit for halloween yesterday (our city passes out candy 1 day early for some reason)

But i wore the chest, crotch and helmet, and gloves, everyone recognized me, I had these 3 11 yo kids come and when they walked up my drive way one said "OMG MASTERCHIEF, GUYS COME QUICK" then they were all acting like fanboys and asking where I got the suit, what it costed, I said I didnt buy it, I made it, and they said that must have been hard, they sat there forever talking to me. Finally they left and said "YA, BEST COSTUME EVER, NO ONE IN OHIO IS MASTERCHIEF FOR HALLOWEEN, GOOO MASTERCHIEF, YOU ROCK!"

Btw, for those who own a legandary helmet, my helmet is more detailed, and can be seen out of perfectly like wearing sunglasses, people cant see me, but I see them.
