If you're looking forward to having a kid, it's a great time. Sure, he may not be ready for it, and I do feel somewhat bad for the kid based on what I know about 17 year olds raising kids. Who knows, he may be ready. Generally, though, I can't believe he is. Still... a child birth is a wonderful thing.

Yeah, I know. You acknowledged my point, but it completely escaped you.
