Sorry to double post but...

## GET READY FOR THE MEGA UPDATE

All i did was hotglue straps to the peices, I need to use buckles or velcro to connect to torso to the crotch peice, arms are strapped to torso and fit me easily and comfy, same for legs (omg I can teabag comfortably) so far, just connecting the 2 peices now I havent done yet

Note : the pics were taken before i strapped the arms to the torso.

Close up of paintjob and strapping

Super robo pants

Frosts opinion on this: leet
