Wow, I actually 100% agree with you, for once.

Tom Brady (Michigan alumni \o/) proved why he's the best quarterback when the game depends on it. Also, it shows why the Patriots might just go 16-0 this year if they keep it up. They're already over halfway there. Though, I have a feeling they'll meet back up for the AFC Championship, and the Colts will have (an unfortunate) revenge on the Pats.
