Well i cannot actually go to the other forums (gamerz0ne.com) cus they have banned me from the site and the IRC don't flaming work still!

Maybe it is all over and i have no hope...and that if i saw sense and gave in then i should go out and buy a new game like the next one up in the C&C series or something...maybe reinstall Zero-Hour & never go on Renegade again.

But, as i have said i am very very persistant

FIGHT TILL THE DEATH!

haha, xD...think i should have that as my SIG?
