Imdgr8oneWell this will get me in trouble...

#11

"ACK"

N00bboys first day on the forum....he made a box in Gmax and thought it was the 1337est model the world has seen. After positng in teh mod fourm and having ACK basically laugh at him, he replies....

CASE-<http://www.aspenth.com/n00bboy/ACK.wav>

gets flame suit on

i'm so inmature, i mean you're so inmature ACK

#12 was great, once i encountered a case where someone on cable tried to host a 127 player game. thes ping was around 4000 the whole time and the host said his cable connection was as fast as T1. then someone pointed out that T1 can only host 30 players
