Why do we even try to talk sense into idiots like this? Besides the entertainment factor that it brings, this topic should have been locked before it got to the second page. This is just getting even more pathetic than it was. Homey comes in and politely gives him reasoning, and he gets shit from the little shit. It's bad enough that he's a fucking moron, but he's shown absolutely NO respect to those that have helped him, or tried to help him, at least.
