But your feonsie looked at my penis, So who has the LOL now?

(I'm pretty sure I typo'd on feonsie, :v )

Fiancee... there's an accent aigu on the first "E" but I'm too lazy to figure out how to type one on my American keyboard. And if you're talking about a man who is engaged he is a fiance with the same accent on the "E".

I knew I spelled it wrong, Damn French and their crazy spelling.
