I didn't say "that's not our fault". I said "that's our fault".

razorblade001 wrote on Sun, 11 November 2007 17:29but if we leave, than that gives the US a bad image.
worse than it already is thanks to Iraq? and since when is this worth one person's life let alone the thousands of American, hundred-plus British and fuck knows how many Iraqi lives this war has cost?

razorblade001 wrote on Sun, 11 November 2007 17:29That be like the US helping a poor person, then suddenly quitting because they came to the resolution "Hey, why do I have to help you? I'm rich, your poor! HAHAHA *walks away*"
I don't know where to begin telling you why this analogy doesn't fit the Iraq war, I really don't.
