Well despite the way i posted, or my choice of wording in my Reply's or how i edited my reply's

It seems however i could have chose to go about my "Problem"

You would have all (except SR) flamed, laughed and in the end said "NO, IT'S A POLICY, now ON YA BIKE BAT!"

It's all i've really got of anyone in a position to help me

Despite these factors:

My willingness to even get Renguard

Bro's full list of all his Nick's

Photo of me and him 4 proof he exists

A string taken from server logs proving he exists

And even the willingness if possible to "Pay" to get back in if i had resonable income of \$£\$££
