Good luck. And no, I'm not saying you're going to have problems. Or that you shouldn't of had the kid. You're just young, so it'll be a bit harder.

One of my friends had a kid about your age. I talked to him at a gig tonight. He's 20 now, and his kid's 3. He's doing good. He's making 27 an hour in an OK job at a Mercedes dealership. He even has \$6,000 saved for his kid's college fees. His kid motivated him. The only thing he seemed to complain about is that he can't get out as much as he would like to.
