Yeah? Look at your pathetic yards, you guys couldn't have done shit. If it was DRY, and not raining/snowing the whole time, the buckeyes would have stomped on you. Henne was throwing the ball way past the receivers, the only time I saw ANY hope in the Michigan Offense was when Mallott went in. Enough about the game, what about the fucking fans?

EDIT: Cheese, look at the 2nd half, re-watch the 2nd half, make hot love to the 2nd half. ALL OSU DID WAS RUN, if they had went for the pass every once in a while, I bet we would have scored more than just 14 points. Oh and look, last play, Tressel being nice to you guys and kneeling the ball instead of running in for a guaranteed touchdown.

Fuck you Michigan fans, you guys are seriously the worst losers I have ever made contact with. Can't take a loss? It's a fucking game, hitting me upside the head, pushing me, shoving me, fuck you.. I went there to enjoy an awesome rivalry match up, not to be ridiculed by Michigan fans. Shit, you guys were so fucking drunk you fell down stairs, peed your pants, tripped and stumbled every step you took.

As fun as it was watching the drunken retards, haha that was indeed the best experience I have ever had at a football game.

Cheesesoda, where did you sit?

Whoa, whoa, whoa, did we watch the same game? Henne, while he isn't the greatest quarterback, left his receivers with MANY chances to catch the ball. Our receivers just couldn't fucking catch. We beat ourselves. Your secondary couldn't do shit. We had open receivers all day long... Henne either overthrew them or they forgot the concept of a reception.

As far as just running it, you guys weren't able to throw the ball, period. Do you honestly think Tressel just wanted to sit back with an 11 point lead to start the second half? Keep dreaming he was that confident. Boeckman couldn't throw worth shit, and you know it.

The fact is, both teams played absolutely abysmal. That was an excruciatingly boring game to watch. If you want to think that OSU showcased an insurmountable amount of talent, be my guest, but you'd be blind as a fucking bat to think that.

Do you even realize that a rivalry entails? It's full of passion, desire, and hatred. It's the biggest rivalry in all of sports, so to think that we're going to treat you jackasses with respect is a bit arrogant, to say the least. You, also, have to remember that we've lost 6 out of the last 7 to you guys because Carr has only been able to beat Tressel once. Not that I'm condoning the actions of our fans, but you'd be one smug idiot to think for a minute that Columbus is a nicer area to visit for a football game for Michigan fans than Ann Arbor is for you Fuckeyes. At least, in Ann Arbor, you don't have to worry about your car being overturned and burned like you can see in Columbus.

What about the advisory to not drive a car with Michigan license plates in Columbus for the game last year? I don't remember hearing no Ohio license plates here in Ann Arbor. In fact, I saw too many Ohio plates today, and I've seen plenty of smug OSU fans being left alone in Ann Arbor.
