Right. Shall I translate this into english for everyone else?

Topic should read -

Quote:

Eh? I need I file to play renegade online, please help!

But it's the post that needs attention...

Well I have it, but it says "Version is not compatible" and that I need to re-install. I have, but it doesn't work.

Re-install the Westwood Shared Internet Components from your RENEGADE CD 1! Using an older westwood game will make it say that.
