Subject: Re: Hacker on westwood chats in Euro serv
Posted by Crimson on Wed, 09 Jul 2003 18:01:07 GMT

bajaservWe have a very irritating man with a hack in all chatrooms in ren.euro. His name is EAXposed. He calles out anyone a lott of crap and is very iiri.
Can someone here or from westwood get him banned. He advertises for his own HP in all forums too. **Link removed by administration**
Bann the idiot

Maybe I should ban you for trying to advertise the link here?
