havoc9826 wrote on Sat, 24 November 2007 00:18: Actually, the damaged CABAL prototype talks over the PA system in the last singleplayer mission of Renegade. Also, Kane doesn't actually die in Tiberian Dawn, as they mention his body was never found. It's also why he has that facial disfigurement in Tiberian Sun, wears a mask over that part of his face, and uses on-the-fly video enhancement to hide it.

Yeah, But Kane is still a bad ass. :>
