Crimsonbajaserv We have a very irritating man with a hack in all chatrooms in ren.euro. His name is EAXposed. He calles out anyone a lott of crap and is very iiri.

Can someone here or from westwood get him banned. He advertises for his own HP in all forums too. ****Link removed by administration****

Bann the idiot

Maybe I should ban you for trying to advertise the link here?

Why, These are Community Forums and That is part of the community, Maybe Not the side you like though. There are 2 sides to every story.
