prasp wrote on Fri, 05 October 2007 21:32Post your stories here when the opposing team with a full base knocked out all but one or two of your buildings and your team managed to pull off a surprise win.

GDI (On City Flying) destroyed our PP, the HON, and the Ref; myself and two other guys bought artie's and walked up over the bridge and destroyed their WF, Refinery, and PP. We then did a stank rush and finished off their bar and AGT. Fun times.
