Seriously, you idiots need to get over it. If you don't want a fucking Santa hat because of religious reasons, is it too much to ask that you just avoid making it known that you don't want one for anti-religious reasons? Shove your anti-religious bullshit up your asses.

If I had a larger avatar, I'd want a Santa hat. Alas, it's a small GIF with no room for one. D:

You said pretty much exactly what I was thinking. Let's avoid turning this into religious discussion #1,249,343,567,721 though guys. If you want a hat, ask Ryu. If you don't, STFU
