and an name calling of your's does not hurt me

Wait, so you're excusing his actions because you have yet to post in his defense on those forums?

I'm sorry, but your saying he wants to change doesn't constitute him changing. If he told you he wants to change, then with or without your "defense", he should be working to change.

I swear, kids are so out there these days. Your philosophies seem to be pulled straight out of your asses. As if you plucked it out of the toilet after a shit.
