Sadukar, I'm tired of you flaming people over every little thing, and Elite officer. Don't let me get started. I'll say this though, STFU. Stop insulting Sadukar randomly, and actually play renegade online. Then you can come on these forums. Until then, get off my internet.

Yeah, Elite Officer is a jackass. He randomly attempts to flame people and used to make useless comments in Tech Support threads like " that's helpful " when it truly was the answer to the question at hand. Needless to say, no one likes you. Sadukar on the other hand flames a bit too much, but at least he contributes constructively (most of the time).
