I find it very amusing reading this..

Joke 1: I mean, apparently Monkeyz is better at sniping, lol (I am not going to argue about the reason of his ban.. I don't really care if he would be playing on the EKT server yes or no)..

Joke 2: Its just way more fun to start calling EKT names and how many freakn morons EKT has, then staying on topic and help the TS out with his question? Right? That's not childish at all!.. lol, love my own sarcasm here.

I 'really don't want to flame here, but the way that is spoken here in this topic also made me wanna put my reaction in here.. I find it wrong to talk like this about any1, then why would you do it? (I mean didn't ur parents thought you the word respect or anything that's close to that word?), especially when u were a member of EKT, and now try to.. i don't know score points to get in a new clan? No, i think its called backstabbing and it doesn't make u look better imho.. (My point? I hope its clear. )

And I didn't read the whole topic, I got tired of laughing and kind of pissed off at the same time so, excuse me for that. ^^

\*Ow and now need for me to go undercover with some made nickname.. I didn't even knew this Forum was still alive.. Great thing though! BTW, does Gr8BigGuy still playes Ren?
