if the host gets on ur nervous and kick u change ur ip and ur nick and hack the renegade online (that is how i get better at renegade) then if u hack ur rank will go high and u will not be know as a noob anymore {SIMPLE} if u need any help with hacking just tell me i'm here 24/7

No offense, but this shows you learned absolutely no lesson after you where banned from almost every Renegade server for cheating.

And in absolutely NO way is cheating going to make you better at the game. All it will accomplish is making you worse! Because you will be so accustomed to having the advantages of cheats, that you will never get any better without them.

That is why they say (The second quote):
