Yes, I understand the logic behind it. And no, I'm not assuming that all drug users don't pay taxes; I'm just stating that taxpayers shouldn't have to pay for it.

I stand by what I said.

And what SHOULD taxpayers be spending money on, if not helping out their fellow man? On whatever the fuck they like. Government-supported stealing is still stealing.

This is why we can't have nice things, though. D:
