Rofl! Rocko is this guy.

wow are you an idiot. You think you're some kind of detective? That's not me and you could even check our i.p.'s if necessary. I was playing in kamuix a while back and noticed the shittiness level of their servers and then i went to read your forums and saw that topic. that's how i came to the conclusion that kamuix servers are shit and that you are a total dumbass.

are you retarded

I was wrong. You're actually doowtesw3.

Anyways, there is no proof that Kamuix uses RGH, and I really doubt it. He has no reason to cheat, and the only server he plays on that I know is his own.

Honestly, you're probably the only idiot who actually believed Orca. Kamuix was spawnkilling him to keep him from spawnkilling others as I recall, you can't suddenly assume that Kam cheats because someone say's he cheats.
