My name is Canadacdn, and I approve this message.

I approve of Canadacdn's approval of this message.

i approve of the approval of the approval of this.

I do not approve of pics that are so stupid long they make me scroll over on a fucking 22" WIDESCREEN monitor. Asshats.

Same here. (lol)

I disapprove of the approving of disapproving this message. But I do approve the original message as well as the two who approved it.

But what if I approve the disapproving of approving of the disapproving this message? I dis-appropriated zomg
