The Elite Officer wrote on Wed, 12 December 2007 13:36 What do you think is better? Is it wort it to buy one of these when the game first starts, or wait for an APC? The speed of the buggy is great and the armour on the hummer is so-so.

What do you guys think?

A friend and I have kept the field under control from stanks and artys with just 2 hummers. Hummers are great if you know how to use them properly, as gozy pointed out camping at the strip at the start of the game is a real good strat.
