just 5minuts ago the police called me to stop when driving my scooter,

i had to do a alcohol test,

she asked how much did you drunk, i was like 1 beer cant be that bad.

so me almost CRYING and WISHING i never drunk a beer, i got on the fucking edge
0,2 PROMILLE FTW, the lovely cops said, well your lucky but stop drinking so much,

so me inside my head i was thinking,

did i just forgot about that wiskey and ehm that baleys,

well guess i actually going to play the bob for my whole life,

thank you GOD now GTFO and die

i want to sleep
