I'll take the lead:

Oblivian, I do not know you well at all, but from what I've heard and from what I have seen, you've been a good addition to the renegade community.

I trust you will be sorely missed.

Good luck with the things you will do after this.

Take care.

Signed:

A fellow renegadier

no way ur not great as he is

what? He never said that he was as great...
