A little Christmas Present...

OK so it starts with me infiltrating =AC= clan under the guise of Spudtato. I lied about living in Belgium, whatever.

Well I revealed myself to him. Started by saying (under -DM-Dreganius) "Hey dumbass! I'm =AC=Spudtato!" to which he replied with some random nonsense. Then I said "Want proof?" and logged onto =AC=Spudtato and...

Quote:=AC=Spudtato: Yeah so fuck you, shithead. I'm -DM-Dreganius and I infiltrated your clan. And don't bother posting me up on your n00blist, the people that are on there want to be there.

I joined =AC= clan as a joke after -DM-Recon did it. He's a fat fucking whore, just like you. Please kick me from your disgraceful clan. Please. do it.

=AC=C4Smoke`founder: (spams me with "I owned you and you didn't know it", etc, the shit he usually writes.)

Then...

-DM-Dreganius (12/27/07 20:34 PM)  
anything else you want to say?

-DM-Dreganius (12/27/07 20:35 PM)  
other than your pathetic spam?

=AC=C4~Smoke.Founder (12/27/07 20:35 PM)

-DM-Dreganius (12/27/07 20:35 PM)  
Other than your pathetic spam.

=AC=C4~Smoke.Founder (12/27/07 20:35 PM)

-DM-Dreganius (12/27/07 20:35 PM)  
Which is all you are sending me.

-DM-Dreganius (12/27/07 20:35 PM)  
Oh by the way, are you going to put me on your noob list?

-DM-Dreganius (12/27/07 20:36 PM)

Oh, please don't put me on your noob list, whatever will i do  
(lobby)

<=AC=C4~Smoke.Founder> cry in lobby little boy while I do some important business stuff

<=AC=C4~Smoke.Founder>

<-DM-Dreganius> Every time you post a message, you just show your stupidity.

<-DM-Dreganius> Instead of making this public, why not keep it private?

<-DM-Dreganius> Insult me.

<-DM-Dreganius> "own" me.

<-DM-Dreganius> Come on, I dare you.

At this point, he hid from my leetness, never to return. Hopefully.
