PlastoJoe wrote on Sat, 29 December 2007 11:09The electronics section of most big stores will have "C&C: The First Decade" in stock. That gives you all the RTS games plus Renegade.

If you look harder, you might be able to find the "C&C Collection." This only contains Tiberian Sun and its expansion, Red Alert 2 and its expansion, and Renegade. I can't tell you who might have this though.

I got my C&C collection from the ebay store.
