MathK1LL wrote on Sun, 30 December 2007 12:52: readme.txt Also note that I was still a newb at scripting when I scripted these scripts. I could probably redo these but am too lazy because I've got bigger and better projects on my plate at this time including Graduation and going off to college along with NeoServ (private regulator right now).

That'd explain another use the timers. Like I also said, I \*could\* redo them but am too lazy. But...I may put them into the plugin I'm working on for SSGM.

EDIT:

cnc95fan wrote on Sun, 30 December 2007 14:42: TBH, pressing the Windows button whenever you want to change track can cause you death

iPod ftw!!!!!!
