I didn't say it was worth using against infantry, because it isn't.

Coveman wrote on Wed, 02 January 2008 06:36 You also said with the damage change it would. So that would mean that GDI's solider does more damage against something that isn't a light vehicle.

you've only just worked out that GDI soldiers are better against infantry and you've also come to the conclusion that I've only just worked that out too? er, keep up
