no they do not.

Hummer has 50 more armor and 50 more health and costs \$50 more.  
Buggy is faster

Both do same amount of damage as a APC does

Basic GDI Rifle infantry can take down a buggy really easily. Due to the fact the buggy is weaker, and the GDI Rifle does 7 damage per hit.

Takes a bit more work from NOD rifle infantry to take down a hummer. since the hummer is stronger and their rifle only does 5 damage per hit.
