Also, I think you fail to see THE POINT OF THE POST. I'm not saying all Muslims are terrorists. I'm saying, we have a constant eye out for Muslims. We dislike them, and treat them like crap, for better or for worse. We are waging war with MUSLIMS. Terrorists or non-terrorists.

So please, spare us your "witt" and try not to make anymore of a fool out of yourself than you already have.

Probably the most ignorant post I've seen in this thread...

78% or more Muslims in the Mid East affiliated with Al Qaeda? 1.5 billion Muslims in the world, wouldn't that mean that Al Qaeda has over a billion affiliates? Half the people at my school are middle eastern, I don't know a single one who supports Al Qaeda, let alone is affiliated with it.

I said in the MIDDLE EAST. Are you in the middle east? Because if so, and none of them support al queada, I would know you'de be...Uh...Lying.

Do you have any idea how many people live in the middle east?

Population:

Egypt: 80 million

Syria: 19 million

Jordan: 6 million

West Bank: 1.4 million

Gaza Strip: 1.4 million

Lebanon: 4 million

Iraq: 27 million

Saudi Arabia: 27 million

Qatar: 900,000

Kuwait: 2.5 million

Bahrain: 7 million

United Arab Emirates: 4 million

Libya: 6 million

Turkey: 71 million

Iran: 65 million

Total = 295,200,000 People

Divide by 100, multiplied by 78 (your claim of "78%")

230,256,000 affiliates in Al Qaeda, according to your logic

Apparently Al Qaeda in your logic is bigger than all the world's superpowers combined

Al Qaeda 's base of support isn't even in the Middle East; it's in countries like Pakistan and Afghanistan, which are both not even in the Mid East. Sure there are some Al Qaeda in Iraq, but they're not even the biggest group there.

Again, I know many of Middle Easterners and Muslims in general who go to my school, and not a single one supports Al Qaeda, related groups, or terrorism in general.

Saying Muslims are the enemy of America is just like saying the Jews were the enemy of Nazi Germany.
