nikki6ixx wrote on Tue, 08 January 2008 23:18 Maybe not revealing your race, and sexuality is a good idea; making a deal out of that stuff just makes you a target.

Edit: Spelling.

nikki speaks the truth. Revealing personal information like that is a damn sure-fire way to get flamed. I'm not implying there's anything wrong with any of the things you said, or that you should be ashamed of them, but there's plenty of people out there who think otherwise.
