Blazer wrote on Wed, 09 January 2008 14:50 There is no "love" when you are 13. Any boy after a 13 year old girl is interested in one thing...and you know what that is. I'm sure that SHE thinks she is in "love" with him, but I would be that he is either infatuated or just strings her along while telling his buddies about the newest "camslut" he has on the line.

my friend started a relationship when she was underage, the guy abused her. She has major issues with self confidence etc. Make sure the guy is trustworthy.
