Starbuzz wrote on Thu, 10 January 2008 13:25 Good thing about online relationships is that it is much easier to pull the plug if it goes south.

EDIT: Damned typo.

Exactly why I'm letting her do this as opposed to going out and having sex with boys my friend

My little girl isn't going to even talk another boy at school until shes 16 by god. I will keep her virgin as long as humanly possible.
