Spoony wrote on Wed, 09 January 2008 04:40 Does his religion even matter unless he's using that religion as a basis for policy?

Same goes for race... if he went around saying "vote for me because I'm the only black candidate and I'll look out for black Americans" it'd put me off in a heartbeat. He doesn't make his religion or his race an issue in his political ambitions, and I like that.

This thread is now over.
