Look whos talking Mr. Bash Bush.

What do you think Clinton would have done... what can Bush do? I don't condone it. I'm just saying, it happens all around the world and just because it happened to a Marine, which since she was a marine she should have been able to defend herself, doesn't mean that it is the fault of the US government, it's the fault of the marine corp. So stfu you retarded dumbfuck and stop thinking with your assheaded emotions.
