One thing I want to insert 2 cents on:

I don't think Hitler was "Evil." WAIT, LET ME FINISH! I didn't say that I don't think what he did was a horrible, horrible thing, I just think that the word "Evil" and Hitler are just in two completely different leagues. Or like using a football to play baseball.

I see Hitler as more of a Psychologically Imbalanced or Disturbed, rather than "Evil."

My reasons for saying that is... well, I don't really know.. it just stood out to me and I thought I'd say something about it.

Maybe it is because Hitler believed he was doing the right thing. An Evil person would consciously be doing the wrong thing.
